IDO is introducing new competition "IDO GRAND PRIX" (IDO Ranking competition title) - Sport for All events, which are open to all dancers, regardless their dance knowledge and experiences. Four (4) IDO Grand Prix editions will be organized annually, results will be counted into the IDO RANKING. Dancers with the IDO licence may qualify ("wild card") to the next year World Championship if they are ranked in the highest IDO ranking places.

These events are widely opening the door to dancers which rarely or never qualify for the World Championship. Participating in IDO Grand Prix events, being high ranked, can get a special "wild card" which open them a door to the World Championship. This "wild card" is not counted to the national quota of participation in the World Championship.
